Dear Burr Families, September 2008

The Burr PTO publishes a free phone and address directory of Burr students and their families each Fall. Many families find the directory indispensable for homework, carpooling, sending out invitations, and parent participation in school activities.

Please review the form below and submit any necessary changes -- LEGIBLY!! -- and return it to Burr School (via your child's backpack is fine), no later than September 14th. If you already a Burr family, please feel free to simply reference the sibling's name and current grade/teacher and I'll find the rest of the data in the database..

If you have any questions or comments, you may contact me at cecelia.kwartler@yahoo.com, or 857-231-2361. One free directory per family will be distributed in October.

Thanks,

Cecelia Kwartler
Burr PTO Directory Editor
