

Approval of Minutes:

- The March minutes were read, there was a motion to accept, it was seconded and they were approved.

Special Education

Lisa Mirabile introduced Sarah Orlov (Burr's Inclusion Facilitator), Suzanne Margiano (Burr's psychologist), Freda Sesnovich (Burr Learning Center teacher) and Mozelle Berkowitz (Coordinator of Elementary Programs for Special Education) to give an overview of Special Education in the Newton Schools.

Each member of the panel described their role in the Special Education process. A question and answer period followed, covering questions from "What is a Special Education student?" to "What is involved in the Special Education process and what are some of the tests you use in your evaluations?"

May Fair Update

Deanna Reid and Mary Tara Roth listed the different events that would be included in the May Fair and discussed possible dates to run the fair. (May 15 or June 5)

Other Business

Concerns about the format and how to handle the drawing of the Teacher Raffle were discussed. It was agreed that it would be best to do the drawing publicly. Cindy was going to be talking with the teachers as well about their concerns.

Meeting was adjourned.
