

Burr School Parking Instructions - GENERAL INFORMATION

Burr is located in a residential neighborhood. Parking is **extremely limited** around the school.

If you **drive and park**, use designated parking areas on Pine St, Washburn Ave, or Orris St.

The **Blue Zone** is for quick student drop-off and pickup. Students need to be able to enter and exit the car on their own (many kindergarteners and first graders are not ready to use the BZ).

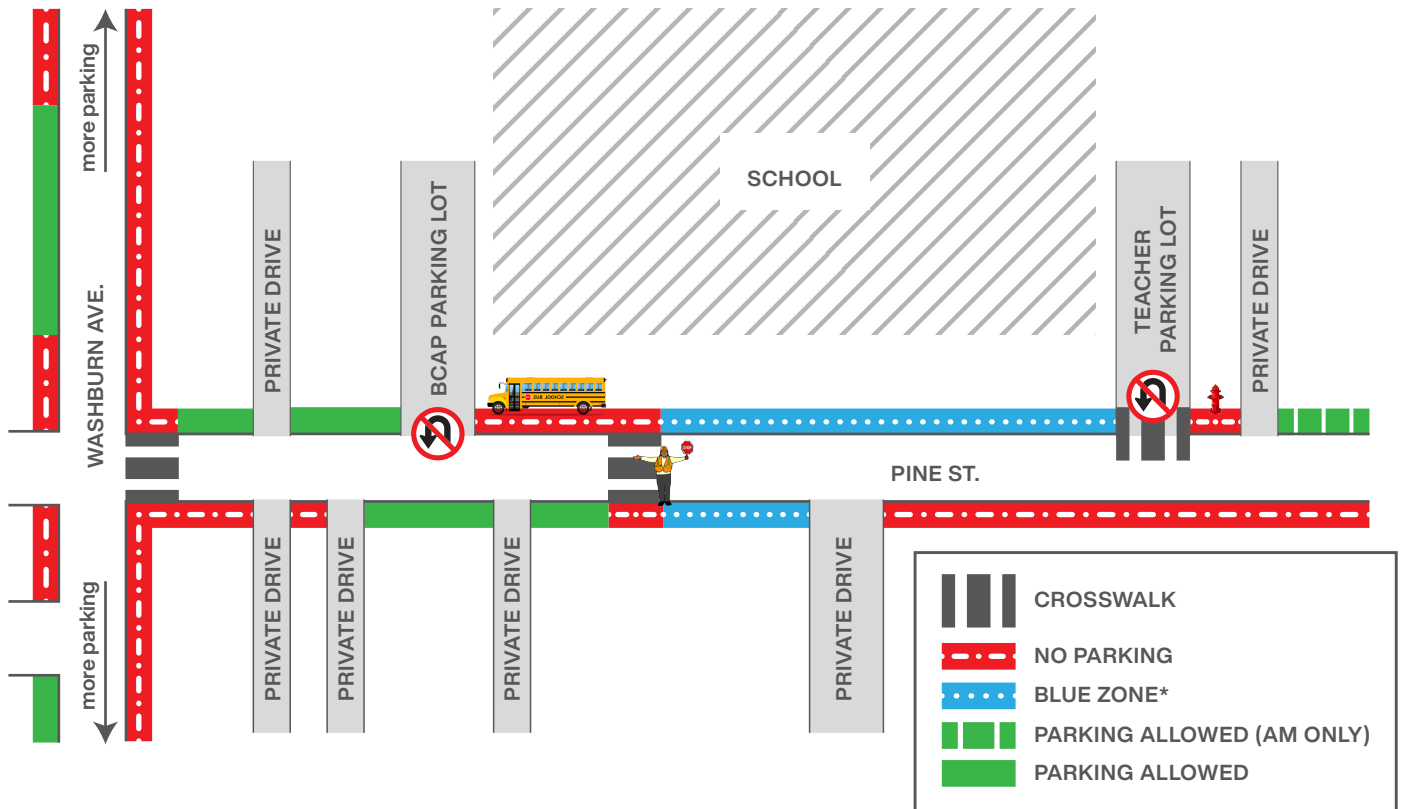

Turn off your car engine when you are stopped for more than a minute to adhere to the statewide anti-idling law.

If you want to read more (and who doesn't want to read more about safely getting your kid to and from school??) - please visit these Burr PTO website pages:

Burr School Parking | MORNING DROP-OFF

Burr School Parking | AFTERNOON PICKUP

* A **Blue Zone** is an area designated by the City of Newton for the safe and **quick drop-off/pickup** of students by car.
 - No parking in the Blue Zones
 - Students **must** be able to **enter and exit** the car by themselves.

** **Live parking** means you are queuing up to pick up via the Blue Zone.
 - You cannot leave the car while parked here.
 - This is allowed **ONLY** in the afternoon for pickup.
